◆ The major objective of the project is to develop the students' competence by combining formal with non-formal education.

◆ The specific objectives proposed are:

- to develop communication skills in the English language, sign language and IT, both in teachers and students
- to develop the social, civic, intercultural skills necessary for opening towards long-life learning, for shaping a personality capable to adapt itself to the requirements of the labor market.

◆ Duration:

September 2017 - August 2019

◆ Project activities:

The 2nd Camp in Anoixi, Greece, 5th—16th May 2019

The focus of the 2nd Heritage. Students partner schools met worked together for The welcome cere-sio Anoixis on Mon-president for educa-sos Municipality teachers from all traditional dances traditional and mod-

Camp was on UNESCO and teachers from all five in Anoixi, Greece, and 12 days on this subject. mony took place in Gymna-day, the 6th May. The vice tional matters from Diony-welcomed students and countries. They danced and the school choir sang ern Greek songs.

Traditional Greek food was offered at lunch by the parents of the Greek students. In addition, all countries presented their own traditional dishes!

In that evening, we visited the Marathon Dam and the beach of Nea Makri.

In the next days, the students presented their projects on the UNESCO Heritage of each country, working in international groups.

They also took part in handicrafts and photography workshops, learned traditional Greek dances and performed dances from their countries. In addition, they sang the project's anthem with lyrics in six different languages.

Students played traditional games and performed traditional dances in special evenings, as well.

ERASMUS+, Action KA2, Strategic partnership „Let's Discover Europe Together Finding Harmony in Differences – EUROPE'S FRIENDS” – 2017-1-RO01-KA219-037409

They took part in an educational program of the Technological Museum in Lavrion and visited the Temple of Poseidon in Sounio.

They also visited the Museum and the Archaeological Site of Delfi, the place considered by Ancient Greeks to be the center of the world!

Delfi is one of UNESCO Cultural Heritage Sites in Greece!

Another UNESCO Cultural Heritage Site we visited is the Acropolis of Athens. We climbed on the Acropolis Hill, visited the Acropolis Museum, one of the most modern museums in the world, and walked through the narrow alleys of Plaka, the ancient neighborhood of Athens under the Acropolis Hill.

The Parthenon

The Museum of Acropolis

Plaka

An organized English guided tour of the Hellenic Parliament took place as well.

We all went on an organized trekking tour on the Mountain of Parnitha, where we walked through the forest, played games in nature, worked on the photography workshop and picnicked in the forest.

The official farewell ceremony took place on the 15th May in the Cultural Center of the Town Hall with the Mayor and many guests. Students from Romania, Poland, Turkey, Portugal and of course Greece sang together the anthem of our project, danced traditional dances from each country and one traditional Greek dance!

The benefits of Erasmus+ programs were highlighted not only by our Headmistress, but from the Mayor and all representatives of the local community as well!

We all agreed that we definitely found harmony in our differences!
